Recognition in print program

The Friends of Patapsco Valley State Park
(an all volunteer, 501c3 non-profit organization)
works to support and advocate for Patapsco Valley State Park.

CELEBRATE AND SUPPORT PATAPSCO VALLEY STATE PARK

Since our creation in 1997, The Friends of Patapsco Valley State Park, Ltd, an all-volunteer 501(c)3 non-profit organization, continues its mission to support and advocate for Patapsco Valley State Park. We rely on the support and partnership of our community of hikers, equestrians, trail runners, paddlers, bird watchers, mountain bikers, dog walkers, naturalists, fisherman, historians, elected officials, friends, and neighbors to help make our park second to none.

Some highlights of our recent efforts include funding and creating the Hollofield Play Space, acquiring a John Deere Gator ATV, providing iPads for park rangers and naturalists, working closely with park staff on their invasive plant control programs, and donating Discovery Backpacks to better interpret information about the park and interact with its visitors.

It doesn't end there. We also have acquired three new outdoor theatre systems for the campgrounds, a portable professional backdrop for the Scales and Tales program, freshly printed maps for all the sections of the park complete with the latest trail information, and a new industrial wood chipper for park maintenance. The park service will be employing a new dump trailer that we acquired through funding from a grant by the Community Foundation of Howard County.

Throughout the year we are working on a full calendar of events including Family Fun Day, the Patapsco trailwork FUN Series, Bio Blitz, Great American Campout, and Pups in the Park.

Our annual fundraiser, **Cocktails for Trails**, is held at the historic Elkridge Furnace Inn. This is an event where you can engage with fellow park stewards, Maryland Park Service management, and representatives from businesses in and around the valley that have a vested interest in maintaining Patapsco to its highest level of service.

We'll wrap up the 2018 season with **Patapsco Trail Fest**, a celebration of PVSP's remarkable trail system and its diverse and engaged community. An event for all ages, abilities, and user groups, Patapsco Trail Fest offers two nights of camping, guided hikes, mountain bike events that include supported racing, rides, an enduro, and trail-running races of a 10k, half and full off-road marathon.

Regardless of how you enjoy the park, **Cocktails for Trails** is your opportunity to support the incredible shared resource that is PVSP!
(and, its a great party...)
