

Thank you for volunteering to support your trail system!

Please take two minutes and read this important information about the 2022 Patapsco FUN Series - Day 2 - Bloede Dam Trail Extension

IMPORTANT

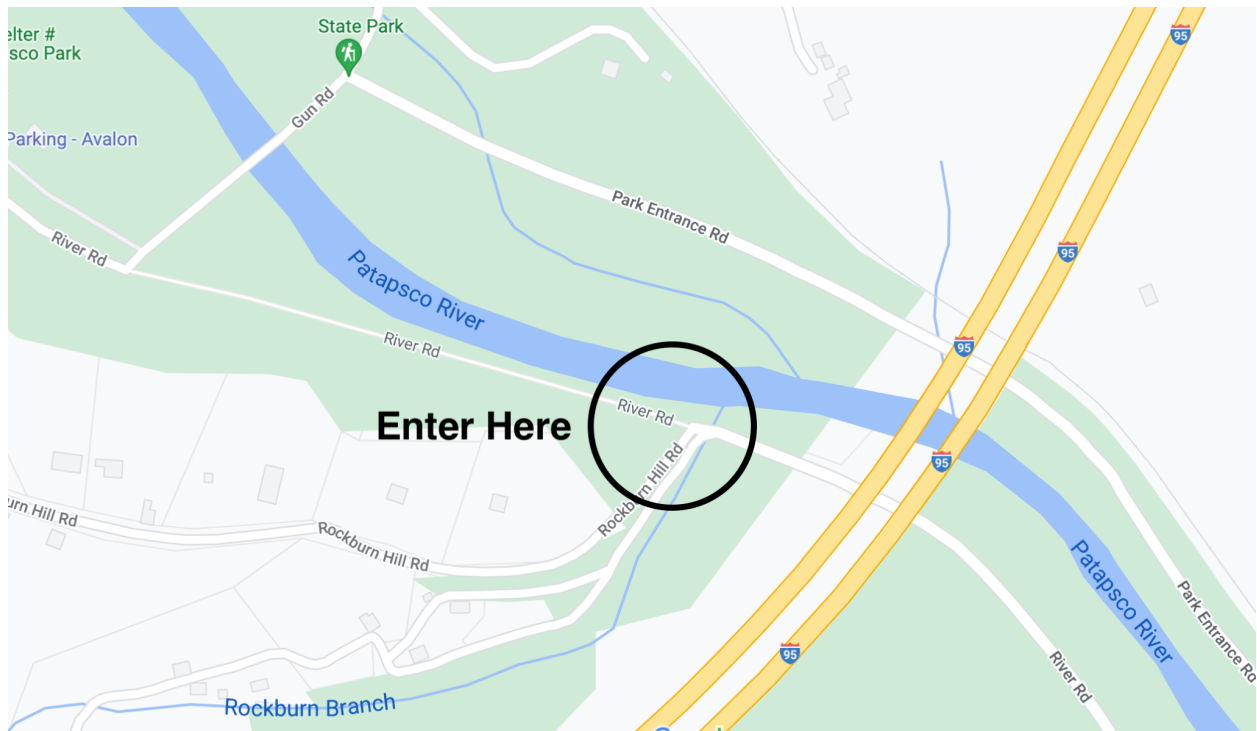

We have made a special arrangement with the Maryland Park Service for volunteers to enter on Levering Ave. With the expected great weather (!) there will be likely long lines to get into the park, and we want you to have easy access to the worksite.

>>> This entrance will be staffed from 8:30 am until 9:15 am only. <<<

GPS location to the gate:

39.225358, -76.719616

Map:

This entrance is accessible from Levering Ave., off of RT.1 in Elkridge. It is on the Howard County side of the Patapsco River.

General information:

Date: Sunday, April 10

Time: 09:00 am EST

Location: 6199 River Rd, Elkridge MD

Have questions? Reach Patapsco directly at: 443.286.2149 (Eric Crawford)

Please Note:

You should bring gloves and sturdy footwear suitable for doing trail work outside, something to drink, a smiling face, and your favorite tool (we have a trailer full of tools too). Expect to get dirty, possibly a little wet, and have a ton of fun doing it! We'll bring donuts, tools, know-how, lunch, beverages, and a highly coveted, volunteer-only t-shirt!

(Dear parents/guardians, please bring a change of clothes for the little people, they'll need it – and please be prepared to supervise your kids!)

The park is 100% pack in pack out.

Please bring a container for beverages.

Cell phone coverage is limited in this area of the park.
